FOR IMMEDIATE RELEASE

LEHI CELEBRATES BEAUTIFY LEHI WEEK

City Comes Together to Make Spring Beautiful

Lehi, Utah | April 21, 2014 – Lehi City reserves one week a year to focus on cleaning up the community. In conjunction with Earth Day on April 22nd and Arbor Day on April 25th, Beautify Lehi Week is scheduled this year from April 21st to April 26th.

Throughout the week, City employees will be out pulling weeds, picking up garbage, straightening light poles, planting flowers, and participating in other beautification projects. The Mayor and City Council will be working in the flowerbeds at the City Cemetery. Parks Division lead Steve Marchbanks commented, “Getting the help of all City employees helps us accomplish many projects around the City. It’s also a great opportunity for everyone to get out and enjoy the beautiful weather.”

Not only are City employees focused on cleaning up Lehi, but residents participate as well. To celebrate Beautify Lehi Week, and encourage beautification projects, Lehi City is providing dumpsters free of charge for neighborhood cleanup projects. Other groups are working with Parks Division employees on specific projects around the community. Lehi City Mayor Bert Wilson will choose one of these projects for the Mayor’s Award, and the group will receive an award. “I’m always amazed at the long list of beautification projects and the number of wonderful families and neighborhood organizations that work hard to clean up our community and make Lehi City a welcoming place,” commented Mayor Wilson.

To learn more about Beautify Lehi Week or sign your group up for a community project, visit www.lehi-ut.gov and click on the “Beautify Lehi Week” link on the home page.
